

PARTNERSHIP OPPORTUNITIES

Foodwise

Custom partnerships to engage your team and your goals

Foodwise is a 501(c)(3) nonprofit dedicated to growing thriving communities through the power and joy of local food. Our vision is to inspire a world that nourishes all people, local economies, and the living earth.

For 30 years, Foodwise has created a healthy community nourished by environmentally sound, humane, economically viable, and socially just food systems. Join us in our work to bring farmers and urban dwellers of all ages together to create a world where fresh, sustainably grown food is at the center of everyone's plate, and family farming is viable for generations to come.

Why partner with Foodwise?

GET HANDS-ON WITH YOUR SUSTAINABILITY GOALS

Foodwise is at the center of the conversation about how we can work toward a healthy, just, and sustainable food system through education, advocacy, and action. Join us in creating this exciting and crucial change while putting your corporate social responsibility goals in action.

TEAM BUILDING

Enjoy a curated experience for your team that builds community, supports retention, and encourages wellness. Foodwise creates delicious, interactive experiences where your team members leave happier and more invested in their community.

GIVE BACK TO YOUR COMMUNITY

When you volunteer with Foodwise, you get a hands-on experience engaging all your senses while deepening your understanding in a healthier food system. Do you have a week of service or other volunteer initiatives? Foodwise can coordinate volunteer activities for corporate groups of 10 to 20 people.

WANT SOMETHING OUT OF THE BOX?

We're excited to work with you to create the customized experience your team needs. Foodwise's work and experience is broad and we look forward to conceptualizing a partnership that works for you.

PARTNERSHIP OPPORTUNITIES **Foodwise**

Hands-on classes

Foodwise offers a variety of culinary programs to connect you with local chefs, farmers, and food crafters, deepen your kitchen confidence and know-how, and build community around healthy, seasonal food. Join us at the Foodwise Kitchen in the Ferry Building for an in-market immersion or we can come to you at your company and host in your space.

Pop-up farmstand

Foodwise will bring the experience of the farmers market to you and create a one day, pop-up farmstand experience. Foodwise can curate a selection seasonal produce items packed in individual tote bags for your employees with custom recipes and all the ingredients for that night's dinner!

Custom market tours

The Ferry Plaza Farmers Market has been operated by Foodwise at the San Francisco Ferry Building since 1993. Join us for a customized tour of this world-renowned farmers market and its diverse offering of delicious, high-quality products from California's cutting-edge sustainable growers, producers, and chefs.

School garden clean up

Groups of 10-20 help with maintenance and projects at the garden in one of the San Francisco public high schools that participates in our Foodwise Teens program. Enjoy a day of fresh air: tour the gardens, then roll up your sleeves and grab a shovel to make the garden ready for the next semester of students.

Let's talk!
